BECAUSE WE CARE

WHAT IF?

WHAT IF WE COULD MAKE IT EASIER FOR PEOPLE TO NATURALLY WATCH OUT AND CARE FOR ONE ANOTHER, AND TO COUNT ON NEIGHBOURS, FRIENDS AND GROUP MEMBERS FOR EXTRA HELP WHEN THEY NEED IT?

Our goal is to create strong neighbourhoods and to make it easier for neighbours to know each other and connect.

Our hope is that this will build a stronger and safer community, where where people are healthier, happier and safer because they have neighbours they can count on.

HOW WILL THIS AFFECT YOU AND YOUR NEIGHBOURS?

By being part of WECCC, you will:

- Ask for help and offer to help others.
- Make it easier for neighbours to connect with each other.
- Be able to give back to your community by sharing the talents and abilities you have, on your own terms.
- Be more informed about local information and have a stronger voice in important issues.
- Be able to participate in activities that make your neighbourhood better.
- Know where to look right in your neighbourhood for practical help when you need it.

DID YOU KNOW:

BEING A GOOD NEIGHBOUR WILL MAKE YOU HAPPIER?

Research shows that the best indicator of a person's happiness is the quality of his or her relationships; having positive ways of spending time; and helping others.

Being of value to others also builds a stronger community.
